

VOYANT PARTNER PROGRAM

Voyant delivers **simple and smart communication services** enabling **agents, resellers, referral partners and alliance partners** to build comprehensive solutions for end users. Your clients will be able to communicate and collaborate with customers whenever, wherever and however they want. Partners can have confidence and trust in the Voyant platform and world-class network.

ABOUT THE PROGRAM

The Voyant Partner Program offers the following:

- We team channel partners with expert Voyant sales resources to help partners win deals — our partner integration sales model means more success
- Sophisticated and easy-to-use customer portal with real-time analytics
- High quality voice network and first-class SLAs
- Expert 24x7x365 support
- We are easy to do business with — seriously

VOYANT NETWORK

Since 2007, Voyant has been delivering business communications on a redundant, reliable and secure communications network.

- Facilities-based, nationwide Tier 1 network
- Geo-redundancy with 30 POPs nationwide
- Over 8,800 on-net rate centers covering 91% of the U.S. population
- 90%+ of calls delivered on-net resulting in higher quality calls
- Processes over 25 billion minutes of use per month
- 99.999% Service Level Agreement*

VOYANT SERVICES

TRUNKING

Telecom made easy with pay-as-you-go, unlimited calling capacity and instantly provisioned SIP Trunking service for your VoIP infrastructure from the industry's leading voice carrier.

OFFICE

Hybrid cloud UCaaS with everything modern businesses need to connect with customers.

FAX

Cloud-based faxing service providing secure, reliable and affordable document transfer.

MESSAGING

REST-based SMS and MMS services enabling end users to send and receive messages with customers.

SD-WAN

Connect directly to the Voyant voice network via Managed SD-WAN, which helps businesses manage voice and data services.

*Service level depends on customer's specific configuration and services provided.

Contact Voyant at channel@voyant.com or **866.629.8200** to learn more about our agent, reseller, referral and alliance partner program.
